

It's time to *Think and Grow Rich... Again!*

As many of you know, out of the great depression came an Inspirational classic called:
Think and Grow Rich that taught our nation one simple message:
What ever the mind can conceive and believe it can achieve!

From this attitude, legendary empires were created.
Fast forward to today's economic challenges, where the text reemerges with a fresh new
team reminding us...

Our greatest success will come just one step away from our greatest failure.
Napoleon Hill

With honor, I would like to introduce a project that I am personally involved with:

Think and Grow Rich: Three Feet From Gold!
Turning Obstacles into Opportunities.

A Book and Film By,
Sharon Lechter (co-author, Rich Dad Series, and Filmmaker Greg S.Reid)
www.threefeetaway.com/event

100 years from when a young writer was gifted the task of a lifetime, the Napoleon Hill
Foundation set out to recreate history by commissioning a new set of faces that sat down
with modern day leaders asking them just one question:

"How did you handle the challenges that came your way?"

From the answers *Three Feet from Gold* was created – and I want to share it with you!

Question:

*Have you ever felt like giving up? Throwing in the towel? Are things tough right now and
are wondering if you are making the right decisions?*

You are NOT alone!

With the help of the *Napoleon Hill Foundation*, and this project ~ you will learn that
This too shall pass and you may truly be three feet away from your mine of gold.

On **October 24/25 in Anaheim Ca** – I invite you to join me, along side T. Harv Eker,
Mark Victor Hansen (Chicken Soup Series), The CEO of Napoleon Hill - Don Green, Les
Brown, Greg S Reid, Sharon Lechter, John Assaraf, Mark Sanborn, and 30 of the
Greatest leaders as we celebrate the release of this exciting work.

there for the **Red Carpet** walk as we launch the World Premier – Hollywood style!

PS...I will be in the **VIP Section**, if you want to mingle with all the speakers and celebrities, be sure to order that ticket because there are not many left.
(With the pass you will even get access to a 'Special' VIP room to meet everyone with food and drinks, etc.)
